

Enhance Your Healthcare Facility. Enrich Your Career.

Make your healthcare facility **stronger and your career more **rewarding** by joining the Indiana Society for Healthcare Engineering (ISHE).**

As an ISHE Member, you can:

- Attend education tours, programs and webinars free-of-charge all year long.
- See new industry trends and best practices up-close and close-to-home.
- Network with industry professionals throughout the state.
- Learn from well-known industry and regulatory leaders, such as NFPA, FGI, Joint Commission and ISDH.
- Be recognized for your contribution to healthcare engineering in Indiana – or nominate your colleagues for these awards.
- Apply for scholarships for your own professional development or for your child who's pursuing a career in our industry.
- Contribute to ISHE's success by serving on one of our committees or the Board of Directors.
- Enjoy free registration for the annual Spring Conference in French Lick.
- Post and review job openings on the ISHE website job board.
- Earn CECs.

Hospital employee individual membership: \$75 | Supplier bundle (up to 3) membership: \$295
